MONOGASTRIC FORM OF OUR ALL-NATURAL, ONE-OF-A-KIND FEED ADDITIVE

PRODUCT DESCRIPTION:

Matrix-M is the monogastric form of our popular Matrix feed additive for all classes of horses, swine, poultry. Matrix-M addresses the animal's digestive, circulatory and immune systems through natural means.

KEY BENEFITS:

Matrix-M aids in nurturing natural body processes which may help support optimal productivity, immunity and overall health. Matrix improves nutrient bioavailability at the cellular level to help maximize the animal's genetic potential for production efficiency.

DIRECTIONS FOR USE:

The most beneficial times to use Matrix-M are:

HORSES: Daily supplementation in the feed: (per head)
Weaning Rations – 10 grams
Growing Rations – 15 grams
Lactating & Performance Rations – 30 grams

SWINE: Daily supplementation in the feed: (per head)
